Dr.M.B. ASWATH NARAYANAN., B.Sc., MDS.,
REGISTRAR

R.C.No. Affln. V(3)/11276/2017 **Dated:27/10/2021**

To
The Principal,
All the Affiliated Institutions who are conducting
Allied Health Science Courses.

Dear Sir / Madam,

Sub:		Affiliation Wing – The Tamil Nadu Dr. M.G.R. Medical University, Chennai – Revision of Guidelines Regarding B.Sc. & M.Sc. Programmes under Allied Health Science stream - Reg.
Ref:	1.	Copy of the Resolution No.15 Passed at the 264th Governing Council Meeting held on 30.10.2018
	2.	Copy of the Resolution No.73 Passed at the 282nd Governing Council Meeting held on 19.07.2021

With reference to the Resolutions cited above, it has been resolved to insist on the production of Government Order (Essentiality Certificate) both for the starting of new Allied Health Science courses from the academic year 2020-21 and for increase of seats in any of the Allied Health Science courses from the year 2021-22 onwards.

The revised guidelines are:

1. Institutions or Hospitals with minimum 3 years of existence alone can start Allied Health Science Courses Under the Tamil Nadu Dr.M.G.R.Medical University.

2. Institutions without inpatient facilities will not be permitted to start AHS courses from Academic year 2021-2022. No tie up is permitted.

3. There shall be 4 categories of Institutions – 30 bedded, 60 bedded, 100 bedded and 200 bedded.

- A 30 bedded speciality hospital can conduct one course.
- A 60 bedded hospital can conduct maximum of 3 clinical courses (including 2 postgraduate courses) and 2 non clinical AHS courses
- A 100 bedded hospital can conduct maximum of 5 clinical courses (including 2 postgraduate courses) and 2 non clinical AHS courses.
- A 200 bedded hospital can conduct maximum of 7 clinical courses (including 2

postgraduate courses) and 2 non clinical AHS course

4. The hospitals or institutions conducting AHS course should submit the records of last 6 months to the Inspection commission appointed by the University.

5. The existing hospitals or institutions conducting AHS course with tie-up hospitals should comply with the new regulations (own hospital) **within 2 years of time**, until such time, new course/increase in intake **will not be permitted**.

6. No.of hours of classes for each course should be specified.

7. The programme of teaching and practical schedule should be submitted to the University once in 3 months for each batch of students as per the syllabus.

8. Students feedback of courses should be obtained from each batch by the University. For a one-year course 2 times, 2 year course3 times and for a three year course approximately 5 times and same should be stored and evaluated at timely intervals/during inspections.

9. A grievance redressal forum should be constituted and the details of the same should be displayed publicly in the institutions conducting the courses. The forum should meet at regular intervals.

10. Outgoing students Job placement and job status should be collected on annual basis and updated in University and Institutional Web site.

11. Each institution conducting any AHS courses should have a web site- with details of courses, faculty, Job Opportunities, previous placements, grievance cell details etc.

12. The University should evaluate the outcome and relevance of each course annually based on the grievance redressal forum, placement details etc. Decision regarding course relevance and continuation should be taken.

13. Once in three years, the curriculum and syllabus of all the courses should be evaluated and revamped according to current scenario.

To continue as such		
1.	B.Sc. Accident and Emergency Care Technology	To be merged with CCT; No separate course as A & ET
2	B.Sc. Cardiac Technology	Will continue as such
3	B.Sc. Cardio Pulmonary Perfusion Care Technology	Will continue as such
4	B.Sc. Dialysis Technology	Will continue as such
5	B.Sc. Medical Laboratory Technology	Will continue as such
6	B.Sc. Medical Record Science	To be renamed 'Medical Record Maintenance'
7.	B.Sc. Nuclear Medicine Technology	Will continue as such
8.	B.Sc. Operation Theatre & Anaesthesia Technology	Will continue as such
9.	B.Sc. Physician Assistant	Will continue as such

10.	B.Sc. Radiography & Imaging Technology	Will continue as such
11.	B.Sc. Radiotherapy Technology	Will continue as such
12.	B.Sc. Neuro Electro-Physiology	Will continue as such
13.	B.Sc. Respiratory Therapy	Will continue as such
14.	Bachelor of Audiology & Speech Language Pathology BASLP	Will continue as such
15.	B.Optom	Will continue as such
16.	B.Sc. Prosthetics & Orthotics	Will continue as such
17.	B.Sc. Critical Care Technology	Will continue with A&ET merged into this
18.	B.Sc. Clinical Nutrition	Will continue as such
19.	B.Sc. Clinical Trial and Clinical Data Management	To be renamed as " B.Sc. Clinical Research"
20.	Post Graduate Diploma in Public Health Entomology(DPHE)	Will continue as such
21.	Post Graduate Diploma in Learning Disability	Will continue as such – with Auditory Verbal Therapy to be merged here
