The website's header includes the eSanad logo, a navigation menu with links for Home, Dashboard, FAQs, Online Services, Status, Feedback, and Contact, and login options for Agency and MEA. A main banner features the text "Verification of Documents & Certificates" and a sub-header "eSanad: An initiative of Ministry of External Affairs for Online Attestation and Apostille of Documents". Below the banner is a section titled "WHAT WE DO" with the following text:

The project **e-Sanad** aims at providing a centralized platform for contactless, faceless, cashless and paperless document verification/attestation/apostille service for Indian citizens, foreigners who have obtained documents from document issuing authorities (DIAs) in India. These include all type of documents i.e personal, educational and commercial. The project is being implemented in phased manner and proposed to extend the service to Indians residing abroad. The system ensures that the foreign employers/other verification agencies get digitally verified genuine documents.

The primary requirement for the attestation/apostille through e-Sanad is the availability of the document in digital depository. The project was launched on 24th May 2017 with CBSE documents depository (documents from year 2014 onwards), since then it has been adopted by various document issuing authorities (DIAs) including National Academic Depository (NAD). The NAD project being implemented by (MHRD) has been integrated with e-sanad for enhancing the digital depository of the documents. The verification/attestation of the
