

LETTER FROM GOD

DEAR FRIEND,

As you got up this morning ... I watched you and hoped you would talk to me, even if it was just a few words, asking my opinion or thanking me for something good that happened in your life yesterday – but I noticed you were too busy trying to find the right outfit to put on and wear to work.

I waited again ... When you are around the house getting ready I knew there would be a few minutes for you to stop and say hello, but you were too busy. At one point you had to wait fifteen minutes with nothing to do except sit in a chair. Then I saw you spring to your feet. I thought you wanted to talk to me but you ran to the phone and called a friend to get the latest gossip.

I watched as you went to work... And I waited patiently all day long. With all your activities I guess you were too busy to say anything to me. I noticed that before lunch looked around, may be you felt embarrassed to talk to me. That is why you didn't bow your head. You glanced three or four tables over and you noticed some of your friends talking to me briefly before they ate, but you didn't. That's okay.

There is still more time left ... And I have hope that you will talk to me yet you went home and it seems as if you had lots of things to do. After a few of them were done you turned on the TV, I don't know if you like TV or not, just about anything goes there & you spend a lot of time each day in front of it, not thinking about anything – just enjoying the show. I waited patiently again as you watched the TV and ate your meal but again you didn't talk to me.

Bedtime I guess you felt too tired ... After you said goodnight to your family I am always there for you. I've got patience more than you will ever know I even want to teach you how to be patient with others as well.

I love you so much ... That I wait everyday for a nod, prayer or thought or a thankful part of your heart. It is hard to have a one-sided conversation. Well you are getting up again and once again I will wait with nothing But love for you but love for you hoping that you will give me some time.

Have a nice day for ever

Your Friend
