- 16.4. The provisional registration for the fifth and sixth candidates of the Guide shall be placed before the Board of Studies in Research after going through the initial Screening Committee of this University. - **DELETED ******
- 16.5. The recommendations of the Screening Committee of all the six candidates enrolled under the Guide has to be placed before the Board of Studies in Research for approval. - **DELETED ******

(** As resolved in the 47th Meeting of the Standing Academic Board dated 18.12.2013)**

16.6. The candidate has to appear in person, before the members of the Screening Committee and to present their write/up Brief summary to the Screening Committee.

16.7 Part-Time Ph.D. students with prior permission from the University Screening Committee should be allowed to do the Research work in any of the Recognized Department after obtaining No Objection Certificate from the Institution attached.

16.8 Resolved that, only the Ph.D. holders recognized by this University or any other University or Senior Faculty Members of the concerned speciality be appointed as member of the Screening Committee to scrutinize the proposals submitted by the Ph.D. applicants.

(*** As resolved in the 46th Meeting of the Standing Academic Board dated 17.07.2013)

16.9. *** From JULY 2013 session onwards, the result of the Screening Committee will be published as:-

1. ACCEPTED
2. ACCEPTED WITH RECOMMENDATIONS
3. NOT ACCEPTED

Board further resolved to give three chances to appear before the same Screening Committee Members with their rectifications for the approval of their Research Proposal.

16.10.**** Resolved that for all the candidates who are pursuing Ph.D. Research Programme in the Faculty of Medical, Dental, AYUSH and Allied Health Sciences, the faculty and branch of the Ph.D. Research Programme be decided based on the Subject/Field of the Research irrespective of the branch in their Post Graduate qualification. The Faculty and Branch of the Research programme be decided by the members of the Screening Committee at the time of scrutinizing an approval of the topic/title of the Research.

(**** As resolved in the 47th Meeting of the Standing Academic Board dated 18.12.2013)

16.11. The Results of the Provisionally selected candidates for Ph.D. will be Published in the Website from JULY 2012 session onwards.

17. **APPROVAL OF THE PROVISIONAL REGISTRATION :**

- 17.1 The recommendation of the Provisional Registration shall be done by the Screening Committee depending on the merits of the submitted application.
- 17.2 The recommendation of the Screening Committee is an essential pre-requisite for the provisional registration to be approved by the Vice-Chancellor.
- 17.3 For candidates applying for provisional registration of the 5th and 6th candidate under a Guide in the first instance in addition to the recommendation of the Screening Committee, the recommendation and approval by the Board of Studies in Research is absolutely essential for all candidates in this category. The same may be obtained by placing the recommendation of the Screening Committee before the Board of Studies in Research. - **DELETED *****

(* As resolved in the 47th Meeting of the Standing Academic Board dated 18.12.2013)**

- 17.4 The candidates shall be informed through the Guide about the approval of provisional registration with instructions regarding the further continuation of the research work according to the norms and regulations of this University.
- 17.5 All correspondence to the University after the approval of the Provisional Registration of the candidate shall be addressed by the Guide to the Controller of the Examinations of this University.
- 17.6 **PILOT STUDY FOR Ph.D. CANDIDATES UNDERTAKING CLINICAL STUDIES.**
- The candidate undertaking research in clinical area shall submit a feasibility report on the selected topic after conducting a relevant pilot study within six months after the provisional registration.
- 17.7 The contact period for part-time Ph.D. students/s shall be 15 days for every six months. So that it becomes 30 days in a year. Candidate has to submit attendance for this period through proper channel.
- 17.8 **Submission of half yearly progress reports** – After provisional Registration, every candidate shall submit half yearly progress reports regularly in three sets in the prescribed format (Annexure-A) through the Guide to the Registrar of the University with a copy of the Head of the Department concerned and Head of the Institution. Every such half yearly report shall be submitted for the period from

1st January to the end of June and from 1st July to the end of December. However, the very first report for the fraction of six months period shall be submitted ending either in June or December.

- 17.9 In the half yearly report, If there are any adverse remarks either by the Ph.D. student on the Guide or by the Guide on the Ph.D. student, this can be placed before the Expert Committee to take a decision within 30 days.

ANNEXURE : A

THE TAMILNADU DR. M.G.R. MEDICAL UNIVERSITY, CHENNAI

FORMAT FOR SUBMISSION TO HALF YEARLY PROGRESS REPORT BY THE Ph.D. STUDENTS

1. Name of the Candidate :
2. Working place of the Candidate :
3. Ph.D. Registration No.:
4. Date of Registration :
5. Name of the Research Guide :
6. Working place of the Guide :
7. Faculty to which candidate belongs :
(Medical / Dental / Ayurveda / Pharmacy / Nursing)
8. Title of Research Topic :
9. No. of the Progress Report under submission :
10. Period covered :
11. Summary of previous Progress Reports
(Copy to be enclosed)
12. Institutional Ethical Clearance Certificate : Submitted / Not submitted
13. Guidelines for submission of half yearly progress report by the Ph.D. students :
 - a. Progress in the review of Literature – Include only literature published during the last 6 months pertaining to the area of your research work.
 - b. Research Methodology – Explain the methods employed / standardization / progress made / New techniques developed for the present research work.
 - c. New data results obtained during your recent studies.
 - d. Discussion on the findings of your study.
 - e. Conclusions.

Signature of the Candidate

Signature of the Guide

Signature of the Principal

Date :

Date :

Date :

18 NON-APPROVAL/ REJECTION OF PROVISIONAL REGISTRATION :

- 18.1. The Screening Committee, after scrutinizing the provisional registration application shall suggest modifications, point out deficiencies, if any, with instructions for re-submission on the suggested lines for reconsideration and recommendation of approval for provisional registration along with a compliance report signed by the Guide.
- 18.2 If the Screening Committee NOT ACCEPTED the provisional registration application on THREE successive occasions, then the candidate has to submit a fresh application along with the payment of stipulated fees as mentioned in No.28 of the Regulation.**
- 18.3 The Screening Committee shall complete and intimate the rejection within three months.

19-A DOCTORAL ADVISORY COMMITTEE:

- 19.1. There shall be a Doctoral Advisory Committee for every candidate for whom approval of the provisional registration has been granted by this University.
- 19.2. The Doctoral Advisory Committee consists of a Guide and such other persons as recommended by the Guide within the jurisdiction of this University.
- 19.3. The total number of members in the Advisory Committee shall not exceed three (3) except in special situation wherein the selected second Co-Guide shall officiate as the fourth member.
- 19.4. The Guide shall be the Convener of the Doctoral Advisory Committee.
- 19.5. Atleast one member shall be an expert in the field of Research, outside the institution where the candidate is working.
- 19.6 The Doctoral Advisory Committee shall also contain retired experts in the concerned field who had been the head of the department prior to their retirement and should be actively involved in their field of specialization or in an approved research institution.
- a) The Advisory Committee would guide the research scholar for one year from the Date of Provisional Registration of particular candidate. Doctoral Advisory Committee members can continue up to Methodology Examination.

In case any one or two members of the Doctoral Advisory Committee got transferred or not in a position to guide due to various reasons and to perform the duties the guide will take the responsibility to inform the University about their non-availability and the guide will take up the entire responsibility.

- b) Prior approval of the University is mandatory for the constitution of a Doctoral Advisory Committee.

19.7 * The advisory committee can have a maximum of three candidates at a point of time;

(* As resolved in the 44th Meeting of the Standing Academic Board dated 15.06.2012.)

19.B Duties of the Doctoral Advisory Committee:

- 1) The Guide / Advisory Committee shall prescribe the Course of research for the provisionally registered candidate and communicate the same to the Controller of Examinations who shall get the approval of the Vice – Chancellor.
- 2) Monitoring the candidate's work periodically.
- 3) To conduct the Part – I Methodology examination.
- 4) The Doctoral Advisory Committee should serve till the completion of the Thesis.
- 5) The Doctoral Advisory Committee should also supervise the public Viva-voce examination.
- 6) The Doctoral Advisory Committee shall offer all professional assistants / guidance to facilitate the candidates in their research work at all stages.
- 7) The Doctoral Advisory Committee shall scrutinize the synopsis and submitted and shall point out any gross deviations from the Subject approved and shall suggest rectifications accordingly.

20-A. PART – I METHODOLOGY EXAMINATION:

The candidate those who have registered up to 01.04.2011 Session.

- 20.1. The University shall conduct the Part–I Methodology Examination for the provisionally registered Ph.D. candidates
- 20.2. One year is mandatory for preparatory works to the candidates to appear for the Part-I Methodology examination. In addition, the feasibility report about the proposed Ph.D. work should be submitted by the Guide along with the proposal to the Screening Committee.
- 20.3 The Convener for Part-I Methodology Examination shall be the Guide.

- 20.4 The Examination shall consist of:
- 1) One (1) Written Paper of three hours duration for 100 marks each.
 - 2) Viva voce for 100 marks

20.5 Guidelines for preparing syllabus by the Advisory Committee for Research Methodology Examination.

The syllabus for the research methodology examination of the candidate should cover the following areas :

- (i) Topics covering the relevant research field.
- (ii) Research Methodology including Bio-statistics and Computer Applications pertaining to the relevant research work selected.

The guidelines should be informed to the Advisory Committee of the research candidate.

- 20.6. The questions shall cover the following:

SECTION-A: Principles of Research Methodology :-

- 1) General Research Methodology.
- 2) Bio statistical Methods in Medical Research.
- 3) Ethical aspects of Medical Research.
- 4) Animal Experimentation (where applicable).
- 5) Instrumentation (where applicable).

SECTION-B: Selected Field / Subject of Research :-

- 1) History.
- 2) Literature Review.
- 3) Recent Advances.
- 4) Others.

Without prior approval of this University, the Guide should not conduct the Part-I

Methodology Examination to any of the candidate.

- 20.7 In Viva Voce, the Doctoral Advisory Committee shall assess the candidate's knowledge in relation to the work done by him / her upto the time of methodology examination and also asses the aptitude and competence of the candidate to continue the research work.

20-B. PART – I METHODOLOGY EXAMINATION:

There should be two papers in Methodology Examination viz.

(As resolved in the Meeting of the Expert Committee held on 01.12.2011, the candidate those who have registered from 01.07.2011, shall write 2 papers in Methodology Examinations.)

Paper-I	Research Methodology	100 Marks
Paper-II	Specialized subject paper related to the Research work.	100 Marks
	&	
	Oral	100 Marks

(An aggregate of 150 Marks in Paper I & Paper II & Oral, is necessary for minimum Pass.)

The questions shall cover the following:

Paper– I : Principles of Research Methodology :-

- 1) General Research Methodology.
- 2) Bio statistical Methods in Medical Research.
- 3) Ethical aspects of Medical Research.
- 4) Animal Experimentation (where applicable).
- 5) Instrumentation (where applicable).

Paper– II: Selected Field / Subject of Research :-

- 1) History.
- 2) Literature Review.
- 3) Recent Advances.
- 4) Others.

Without prior approval of this University, the Guide should not conduct the Part-I Methodology Examination to any of the candidate.

*** 20.C. The Methodology Examination answer sheets and the results should be sent to the University within a month's time from the day of the Methodology Examination.**

(* As resolved in the 44th Meeting of the Standing Academic Board dated 15.06.2012.)

20.D. - As resolved in the 44th Meeting of the Standing Academic Board dated 15.06.2012, the candidates those who have registered from 01.07.2012, shall write 3 papers in Methodology Examinations.

The Methodology – Paper I Examination is common to all speciality

- Paper-I - Research Methodology**
- Paper-II - Broad subject of the field**
- Paper-III - Area related to the thesis subject.**

Followed by Oral presentation of the proposal.

20.E. - As resolved in the 47th Meeting of the Standing Academic Board dated 18.12.2013, the maximum of 100 marks may be allotted for each of the three papers of the Methodology Examination.

No marks be allotted for Oral Presentation of the proposal.

Candidates must obtain 50% marks in Research Methodology (Paper I) Examination & 50% aggregate in all the 3(three) papers of Part I Examination (i.e. 150/300) to continue their Ph.D programme.

(## As resolved in the 48th Meeting of the Standing Academic Board dated 02.07.2014)

1.**** All the Ph.D. candidates should undergo the following training in Research Methodology, Biostatistics and Bio-ethics.

The Ph.D. research work involving human subject and clinical trials should undergo GCP [Good Clinical Practice] training.

2. The workshop for Research Methodology including Biostatistics can be conducted by the qualified faculties of the affiliated Institution for 5 days covering all the topics as furnished below:-

- ⇒ Introduction to Epidemiology & Research Methodology
- ⇒ Introduction to Bio-Statistics
- ⇒ Sampling Techniques

- ⇒ Measures of disease frequency
- ⇒ Study design & Descriptive studies
- ⇒ Case control and Cross-Sectional study
- ⇒ Cohort Study
- ⇒ Clinical Trials
- ⇒ Qualitative Research
- ⇒ Questionnaire Development
- ⇒ Diagnostic Test
- ⇒ Bias in Clinical Research
- ⇒ Sample size Calculation
- ⇒ Test of significance
- ⇒ Protocol Development
- ⇒ Meta Analysis
- ⇒ What test to do, when
- ⇒ Regression and Correlation
- ⇒ How to write and publish an article
- ⇒ Collecting and handling data
- ⇒ Plagiarism/Exercises
- ⇒ Scientific Package for Social Science
- ⇒ Medical Ethics
- ⇒ Survival analysis

The workshop for GCP can be conducted with the qualified faculty members of the affiliated Institutions.

3..The above mentioned training should be completed during the I Year, before the Methodology Examination.

4. Examination for Paper-I Research Methodology shall be conducted by the Controller of Examinations at the University premises twice in a year. Candidates will become eligible to appear for Paper I Research Methodology Examination one year from the date of Provisional Registration. The Paper II and III shall be conducted at the concerned Institutions by the Guides and Advisory Committee Members..

5.The Ph.D. applicants appearing for the screening committee should give the details about the work plan. **(ANNEXURE – I)**

(** As resolved in the 47th Meeting of the Standing Academic Board dated 18.12.2013)**

ANNEXURE – I

FORMAT FOR PREPARING THE WORK PLAN FOR THE Ph.D. CANDIDATES

1. Background of the proposed work.
2. Clearly defined objectives
3. Literature review of the subject providing national and international status
4. Work plan.
 - (a) Materials and Methods
 - i. If clinical study, clearly defined patient population
 - ii. Properly calculated Sample size.
 - iii. Clearly defined inclusion and exclusion criteria
 - iv. Brief note on Methods planned to be used to achieve the objectives
 - v. Brief note on statistical evaluation of the data
 - (b) Duration of the study
 - (c) End points (primary and secondary endpoints) for all clinical students
 - (d) If any intervention would be used, known toxicity of the agent planned to be used.
 - (e) Criteria for response evaluation and for assessing toxicity.
5. Outcomes likely to result from the study.
6. References
7. Time schedule of activities giving milestones (pictorial or graphical representation would be welcome)
8. For studies that are likely to involve more than one Department or Institution, a letter from the Head of the Department/Institution expressing their willingness to provide the facilities and their endorsement of the study design will be mandatory.
9. Funding agency, if relevant.

10. Informed consent and Ethical Committee clearance for all clinical studies

SYLLABUS

PAPER – 1 – RESEARCH METHODOLOGY

UNIT – I :

Importance and need for research ethics and scientific research formulation of Hypothesis, concepts types and characteristics, designing a research work. Research methods, types of research and essential components of a research proposal.

UNIT – II :

Application of Computer, Computer application in scientific research, common software for documentation presentation and analysis of data.

UNIT – III : Biostatistics :

Collection of samples, randomization, sample size, collection and classification of data, diagrammatic and graphic representation of data measurement of Central tendency, standard deviation, normal distribution, test of significance based on large samples, students T test, correlation and regression, chi-square for independence of attributes – ANOVA, Kaplan Meir Analysis, Life Table Analysis, Multi variate Analysis, Meta Analysis.

UNIT – IV : Library :

Library types, purpose and functions of library, classification types, classification of books and journals. Computer assisted search of Literature, common websites, impact factor, Citation index and peer reviewed journals online journals.

UNIT – V : Scientific writing :

Scientific writing, characteristic, logical format for writing thesis and research papers. Essential features of abstract, introduction. Review of literature of material and methods and discussion. Effective illustration, tables and figures, reference styles.

UNIT – VI : Project Proposal :

Preparation of project proposal, components of a good research proposal, strategy of project proposal, Oral and poster presentation.

UNIT – VII : Bio-Ethics :

ICMR guidelines, compensation for participation in clinical trials, clinical trial insurance, clinical trial registration, animal ethics.

UNIT – VIII :

IPR, plagiarism, copyright, royalty.

UNIT – IX : Additional unit for those involved in clinical research, GCP, GCLP.

21. SUCCESSFUL PART - I METHODOLOGY EXAMINATION

21.1. The candidate has to secure a minimum of 50% of the marks in the theory paper and a minimum in the orals to be declared successful in the Part I Methodology Examination. The report shall be approved by the Vice-Chancellor of this University.

21.2. A detailed report on the performance of the Part-I Methodology examination shall be submitted by the guide / convener to the University for further action.

***21.3. The following Regulations will come into effect from July 2012 session.**

- a. Candidates will be permitted to appear for two attempts for the Methodology Examination. After two attempts the candidates will be discharged from the Research programme.
- b. Candidates should pass the Methodology Examination before submitting their thesis;
- c. The Ph.D. applicants can start their Research work after getting the Provisional Registration order from the University; they need not wait till the Methodology Examination for which they will be eligible to appear at the end of one year after their date of Registration.

- d. **During the Methodology Examination the candidates need not give oral presentation of the proposal as they are giving oral presentation before the screening committee.**
- e. **It was decided to conduct Methodology Examination [twice in a year] in the University for which the questions will be set by the university and the examiners will be appointed by the university from the July 2012 session onwards i.e. for the candidates registered from July 2012.**

(* As resolved in the 44th Meeting of the Standing Academic Board dated 15.06.2012.)

22 UNSUCCESSFUL PART - I METHODOLOGY EXAMINATION

- 22.1 In case the candidate is not approved in the first Part – I Methodology Examination, the Advisory Committee shall recommend that the candidate should undergo a further course for a period not exceeding three months at the end of which he/she shall be examined again by the same Committee and if found fit, he/she shall be permitted to proceed with the research work. Any change in the members of the Advisory Committee can be effected only with the approval of the Vice-Chancellor.
- 22.2 A candidate who is not approved even at the second time by the Advisory Committee shall not be permitted to continue and his/her provisional registration shall be cancelled.

23 EXTENSION OF TIME FOR PART – I METHODOLOGY EXAMINATION:

- 23.1. Extension of time for Part–I Methodology Examination shall be considered on very special circumstances if adequately substantiated in the application forwarded through the Guide for condonation by the Vice-Chancellor.
- 23.2. If extension of time is granted then penal fees as prescribed by the Governing Council has to be paid as mentioned in No.28 of the Research Regulations.
- 23.3 The maximum extension period permissible is six months from the stipulated due date fixed by the University in the first instance for the conduct of Part – I Methodology Examination.

24 CONFIRMATION OF PROVISIONAL REGISTRATION

24.1 The provisional registration of a candidate for Ph.D Degree shall be confirmed on the receipt of the successful report of the Part I Methodology examinations conducted by the Doctoral Advisory Committee.

24.2 The Part-I Methodology Examination report shall be approved by the Vice-Chancellor of this University.

24.3 Confirmation of Provisional Registration shall be communicated to the candidate through the Guide with a copy to the Co-guide with instruction to the candidate to remit Rs.5000/- (Rupees Five thousand only) for confirmation of the Provisional Registration as per the University norms.

24.4 Following confirmation, the University shall inform about the duration of research and additional areas of work/departments with the consent of Guide if need be as per No.25 of the Research Regulations.

25 PLACES & ADDITIONAL PLACES OF RESEARCH WORK:

25.1 The Candidate shall pursue and carry out the Research Work in all the recognized Departments as mentioned in No 8 of this regulations.

25.2 The candidate shall be permitted to pursue research in any of the following additional places / departments / Institutions as mentioned below:

a. The Departments of the Tamil Nadu Dr. M.G.R. Medical University, Chennai.

b. Post Graduate Departments of Colleges affiliated to the University and recognized as having necessary facilities for carrying on Research in the branch of study concerned. Provided that the department has a qualified Guide and offering the post graduate course for a minimum period of 5 years. The Post Graduate Departments of the said colleges shall be approved duly after inspection by an Expert Committee appointed by the Vice Chancellor of this University for conducting the Research leading to the award of Ph.D. Degree. The Expert shall consist of one member from the Board of Studies in Research of this University and one more Expert in the field selected by the Vice-Chancellor.

c. All India Research Institutions/Regional Research Institutions and any other teaching /Non-teaching Medical /Dental Hospitals / Institutions

where recognized Post Graduate courses are not conducted and duly located in the territorial jurisdiction of the University who have obtained the MCI / DCI permission and duly recognized by the Standing Academic Board /Governing Council on the recommendations of the Expert Committee appointed by the Vice Chancellor of this University.

d. A registered Ph.D., candidate after obtaining the approval of the University, may continue a part of his research work after passing Part-I Methodology Examination, in any of the institutions at National or International level, where the latest advanced research facilities on Medical Sciences are available and which has the world wide reputation, so as to enable the candidate to use the day to-day advanced techniques to acquire more research skill. In this case, the Guide/Supervisor selected by the candidate

before provisional registration will continue to be the Guide/supervisor for his/her continuing research within/outside the country. However, the candidate where he/she proposed to continue the part of his/her research work in the said new institution shall choose another Co-guide in the new research department selected and to obtain his/her consent to be the co-guide and such Co-guide/supervisor has to certify the quality of research work done under their Supervision by the candidate for evaluation. The candidate has to produce the No Objection Certificate (N.O.C.) from the Head of the Department in that Institution to carry out the research work along with the consent letter of the proposed Co-Guide to the University through the Guide for obtaining the prior permission. In such cases, the second co-guide in the new institution shall also be a member of the Doctoral Advisory committee.

26. COURSE WORK:

- 26.1. The provisionally registered candidates shall do original research work under direct supervision /guidance of the Guide / Co-Guide.
- 26.2. The candidate shall also utilize the services of the members of the Doctoral Advisory Committee with the approval of the Guide / Co-Guide for the betterment of the research work.
- 26.3. The Doctoral Advisory Committee shall conduct Seminars once in six months to monitor and assess the quality of research work done by the candidate.
- 26.4. Each candidate provisionally registered shall be required to work under the selected recognised guide, taking the assistants of the selected recognised Co-Guide according to the prevailing situation.
- 26.5. Each candidate shall undergo courses of instructions as may be prescribed by the guide/ advisory committee.
- 26.6. The courses of instructions are meant to Guide the candidate for subsequent research work after confirmation of the provisional registration.

- 26.7. The university shall conduct training classes, **if facilities are available**, for the provisionally registered candidates covering the prescribed courses and areas of research study.

27. LOG BOOK/PROGRESS REPORT:

- 27.1. Every registered candidate shall maintain a log book supplied by this University.
- 27.2. The log book has to be supervised and signed by the Guide / Co-guide.
- 27.3. The log book should be available at the time of Part – I Methodology Examination and at all other times as deemed by the Guide or the members of the Doctoral Advisory Committee.
- 27.4. The log book shall be maintained till the completion of the research work.
- 27.5. Xeroxed and copies signed by the Guide should be submitted along with the thesis at the time of final submission of the thesis.

28. FEE STRUCTURE :

As resolved in the 225th Meeting of the Governing Council held on 07.01.2014 that, the consolidated fee remitted by the Students/Institutions which is apportioned by this University towards Application Fee, Processing Fee, Registration Fee etc., a component of such consolidated fee could not be refunded on any circumstances.

28. 1	Cost of Ph.D. Eligibility Application Form	Rs. 500/-
28. 2	Fee for Eligibility Certificate	Rs 2,000/-
28. 3	Cost of Ph.D. Provisional Registration Application Form	Rs. 2,000/-
28. 4	Non-refundable processing fees	Rs. 5,000/-
28. 5	Ph.D. Screening Committee fee	Rs. 5,000/-
28. 6	Provisional Registration for Ph.D., Degree	Rs.10,000/-
28. 7	Recognition of preliminary Post Graduate Degree (Awarded by Other Universities)	Rs. 1,000/-
28. 8	Cost of Ph.D. Log Book	Rs. 1,000/-
28. 9	Fees for the conduct of Part I Methodology Examination	Rs. 5,000/-
28.10	Confirmation of Provisional Registration fee	Rs. 5,000/-
28.11	Fees for extension of time for Part I Methodology Examination	Rs. 3,000/-
28.12	Fees for resubmitting a fresh application for provisional registration	Rs. 2,000/-
28.13	Fees for extension of time of the thesis submission	Rs. 3,000/-
28.14	Fees for resubmission of the thesis	Rs. 3,000/-
28.15	Cost of Application form for submission of Synopsis	Rs. 500/-

28.16	Fee for submission of Synopsis	Rs.15,000/-
28.17	Cost of Application form for submission of Thesis	Rs. 500/-
28.18	Fee for submission of Thesis	Rs.30,000/-
28.19	Ph.D. Late submission of Synopsis/Thesis for a period of one year	Rs. 5,000/-
28.20	Fee for Change of Title of Synopsis/Thesis	Rs. 5,000/-
28.21	Fee for conversion of Duration of Ph.D. Course	Rs.20,000/-
28.22	* Cost of Ph.D. Re-Registration Application Form	Rs. 2,000/-
28.23	* Non-Refundable processing fee for Re- Registration	Rs. 5,000/-
28.24	* Re-Registration Fee for Ph.D. Degree	Rs.30,000/-

The fee should be paid, through online Payment Gateway, Indian Overseas Bank/University Challan)

(* As resolved in the 40th Meeting of the Standing Academic Board dated 22.12.2010.)

Note: The payment schedule and amount is likely to vary periodically as prescribed by the University from time to time and the current stipulated fees has to be paid accordingly.

29 RESEARCH FUNDING :

- 29.1. The candidate is permitted to avail research grants with the approval of the Guide and the same may be intimated to the University.
- 29.2. The research grant availed should be acknowledged with full information in the preface at the time of submission of final thesis.
- 29.3. It is the prerogative of the candidate to approach and avail funds for research from the different funding agencies and scientific bodies.
- 29.4 The University takes no responsibility in relation to the funds received and handled by the candidate from any source and in whatever capacity.

30. TITLE OF THE THESIS :

- 30.1 The provisional title of the thesis shall be intimated to the University within six months of the successful completion of the Part I Methodology examination.
- 30.2 The exact / final title of the Thesis shall be intimated to the University three months before submission of the synopsis.
- 30.3 ***The change of title requested by the candidate whether minor or major need not be placed before the Screening Committee. The Change of Title proposals may be scrutinized by the Concerned Speciality Experts at the Examination Wing itself.
- 30.4 No change in the title shall be accepted after the submission of the synopsis.

- 30.5 As per the provisions existing in the Ph.D. Regulations, the candidates are permitted for change of title of the thesis before the Methodology Examination. The Research candidates who apply for change of title after their methodology Examination, may be instructed to apply as a fresh candidate with new title and proposal.

(*** As resolved in the 46th Meeting of the Standing Academic Board dated 17.07.2013.)

31. SUBMISSION OF SYNOPSIS :

- 31.1 Synopsis should be submitted through the guide three months before the expiry of prescribed date of thesis.
- 31.2 The title of the thesis mentioned in the synopsis is the final title and the same title has to be maintained in the final thesis to be submitted
- 31.3 Six copies of the synopsis has to be submitted with the prescribed fees and the synopsis submission application form - FORM IV duly filled and signed by the candidate and the guide.
- 31.4. The synopsis of the thesis should include in brief an Introduction, Aims, Objectives, Material & methods, Observations, Inferences Summary & conclusions etc. with a minimum of 20 pages and not exceeding 40 pages.
- 31.5. The synopsis should be submitted with the original certificates as required by the university regulations in the Ph.D. synopsis application Form – IV.
- 31.6 The synopsis approved by the Guide shall be considered for the further course of action as per University norms.

32. FORMATTING OF THESIS :

- 32.1 The final thesis to be submitted by the candidate should be formatted according to the University regulations.
- 32.2 Every thesis shall have 2 major components
- a. The certificate component
 - b. The Research work component
- 32.3 The certificate component shall include the following
1. Certification and declaration by the candidate
 2. Certification of the research work by the guide
 3. Certification of the research work by the co-guide in selected cases

4. Certification of the research work by the second co-guide in selected cases

Every candidate shall submit with his/her application for the research degree and thesis, a certificate from the guide/ supervisor under whom he/ she worked, that the thesis submitted is a record of research work done by the candidate during the period of study under him/her and that the thesis had not previously formed the basis for the award to the candidate of any Degree, Diploma, associateship, fellowship or other similar title together with the statement from the guide/ supervisor indicating the extent to which the thesis represents independent work on the part of the candidate. If the thesis submitted has formed in part, the basis for the award of a previous research degree, the candidate shall clearly set forth in a preface or written statement the portion or portions which have formed the basis for the award of the previous degree.

- 32.4 The Research work component of the thesis represents the actual research work done by the candidate under the supervision of the guide / co-guide. It should have the following :
 - 1) Introduction 2) Aims and Objectives 3) Review of literature
 - 4) Scope and Plan of Work 5) Materials and methods (other than Medical) (or) Patients and Methods (Medical) 6) Results and Analysis
 - 7) Discussion 8) Summary and Conclusion 9) Recommendations
 - 10) Appendix 11) Bibliography (Vancour Style)
- 32.5 The number of pages of the text matter in the thesis should not exceed 250 pages (foolscap).
- 32.6 Annexure, charts, graphs, Bibliography and Attached publications paper are not to be numbered along with the text.

33. *A. **PUBLICATION OF RESEARCH PAPERS**

The Ph.D. Candidates registered from 1-7-2011, should have published a minimum of two research papers in any indexed journals before submitting their Ph.D. Thesis to the University.

(* As resolved in the 44th Meeting of the Standing Academic Board dated 15.06.2012.)

33.B. **SUBMISSION OF THESIS :**

- 33.1 The Synopsis should be submitted 3 months prior to the submission of the prescribed date of Thesis.
- 33.2 Every candidate shall submit six hard copies of the thesis along with the duly filled thesis submission application form - FORM V under Section II

of the Research Regulations and signed by the candidate and the guide along with the fees as prescribed. The candidate should submit the thesis with soft copy (CD) under the following heads only and it should not contain any irrelevant dedication format pages:

CONTENTS

- ❖ Introduction
- ❖ Aims and Objectives
- ❖ Review of Literatures
- ❖ Materials / Patients and Methods
- ❖ Results and Analysis
- ❖ Discussion
- ❖ Summary & Conclusion
- ❖ Impact of the Study
- ❖ Bibliography – The author of any study mentioned in Bibliography exceeds more than four, the word et al should come after fourth author. (Only Vancouver style alone should be followed and not by ALPHABATICAL order)

33.3 Every candidate shall submit 2 copies of the electronic version of the thesis. Mention should be made about CD formatting technique used in the preparation of the CD.

33.4 Publication of Research Papers -**All Ph.D. candidates** before submitting their Ph.D. thesis to the University should have published a minimum of **two research papers in any Indexed journals**. The publication of research papers may also be implemented from 1-7-2011 onwards.

* 33.5 **The penal fee of Rs.5,000/- (Rupees five thousand only) prescribed for late submission of thesis is upto one year. After the lapse of one year, the candidates will be discharged from the Research programme by the University.**

(* As resolved in the 44th Meeting of the Standing Academic Board dated 15.06.2012.)

33.6 The system of anti-plagiarism for the thesis at the time of submission is included and the Research Guide has to give necessary certificate for having utilized the Anti-plagiarism software as specified in the regulations of this University.

(## As resolved in the 48th Meeting of the Standing Academic Board dated 02.07.2014)

34. EXTENSION OF TIME FOR SUBMISSION OF SYNOPSIS / THESIS :

- 34.1 Extension of time beyond the prescribed period shall be considered and granted for genuine reasons if adequately substantiated.
- 34.2 Applications for extension of time with adequate justifications should be signed and forwarded by the guide and submitted to the university before the expiry of the period prescribed for the submission of the synopsis.
- 34.3 The last date for submission of Thesis is, for a period of one year only from the prescribed date for submission of Thesis.
- 34.4 Extension of time shall be considered and granted for a period of 6 months to 1 year with a penal fee of Rs.5,000/-.
- 34.5 Extension of time beyond one year shall not be permissible at any time / stage.
- 34.6 The period of extension granted covers the period for the submission of the synopsis and the final thesis as per the regulations cited above.
- 34.7 If any candidate, fails for submission of final thesis within the grace period (i.e) (last date for submission of thesis) the candidate will be discharged immediately from perusing Ph.D. course.
- 34.8 The Ph.D. candidates should submit their thesis to the University in PDF format along with hard copy. The University should upload the thesis in the University website and create a password. The password should be sent to the Examiners and in turn the Examiners should download the thesis and the Report from the Examiners should also be sent to the University in Electronic format (i.e.) through E-mail. The University should create a system for the above process.

35. Ph.D. EXAMINERS :

- 35.1 The University has to appoint three external examiners, one from Southern India, one from Northern of India and one from abroad for the evaluation of the thesis submitted by the candidate to this University.

35.2 The Vice- Chancellor shall appoint three examiners (one from Southern State, one from rest of India and one from abroad) after the submission of the Synopsis for perusal and confirmation of their acceptance to evaluate the Thesis so as to avoid delay in the evaluation of Thesis. The Controller of Examinations shall correspond with these examiners to get their eligibility and willingness to evaluate the Thesis.

36. VALUATION OF THESIS :

- 36.1 The thesis shall be referred by the Vice-Chancellor for valuation to a Board of Examiners consisting of three members.
- 36.2 One examiner from Tamil Nadu, and the Second Examiner will be from the rest of India and Third Examiner will be from outside India.
- 36.3 In selected / special cases two examiners may be from Outside India and selected by the Vice Chancellor.
- 36.4 ##The thesis has to be sent to the Examiners (Both Internal and External) in the form of CD and to use Dropbox facility (cloud technology) or through Email.
- 36.5 The examiners after evaluation have to report their comments in the “Ph.D. thesis reporting form” as in FORM VI under Section II of the Ph.D./ Regulations.
- 36.6 The Examiners have to submit their reports within 3 months from the date of receipt of the thesis from the University.
- 36.7 The University shall send remainder to the examiners at the end of 2 months.
- 36.8 If no report is received by the University at the end of 3 months then one copy of the thesis shall be sent to the fourth Examiner selected by the Vice Chancellor.
- 36.9 If two of the examiners commend the thesis and one examiner does not commend, the Vice-Chancellor shall refer the thesis to one more new examiner for his opinion and evaluation.
- 36.10 If any of the examiners point out clarifications and suggest resubmission with corrections, the candidate has to carry out through the guide all the suggested corrections and resubmit the thesis within three months for evaluation by the same examiner who has initially suggested the above.
- 36.11 A total of three commended reports are absolutely essential.
- 36.12 The Evaluation report in the following format from various examiners will be received by this University. All the three reports will be sent to the Guide to consolidate the report and then forwarded to the Controller of Examinations for fixing Viva Voce Examination.

- ❖ Literature Review
- ❖ Materials / Patients and Methods
- ❖ Results and Analysis
- ❖ Summary and Conclusion

36.13 Each examiner has to award marks for the thesis submitted by the candidate instead of “Recommended” and “Not Recommended.”

36.14 Thesis will be sent to three examiners evaluating for 100 marks each. Out of 100 marks the candidate has to secure minimum 75 marks as a pass from minimum of two examiners out of the three.

##. The rectification if any suggested by any of three examiners has to be clarified by the candidate at the Public Viva voce.

36.15 If the candidate has failed in the thesis the examiners have to furnish their comments on the thesis and the rectification to be done in the thesis.

36.16 The candidate has to rectify the deficiencies pointed out by the examiners and resubmit the thesis to this University within 2 (Two) months.

(## As resolved in the 48th Meeting of the Standing Academic Board dated 02.07.2014)

37. COMMENDED THESIS :

- 37.1 A total of three commended reports are absolutely essential.
- 37.2 The three commendations by the examiners may be in one instance or in subsequent instances in cases of re-submission of Thesis.
- 37.3 A commended report by any examiner at any time will be considered at all times.
- 37.4 A consolidated report shall be prepared by the Controller of Examinations of this University to include the main point made by the individual examiners together with his / her remark with special reference to any of the critical commend made by any of the examiners.

38. REJECTED THESIS :

- 38.1 If the thesis is not commended by two examiners then the thesis is deemed as rejected.
- 38.2 The candidate can resubmit the thesis for the second time within six months to a maximum of one year by carrying out additional research work or modify the original thesis with suitable corrections and make new presentations which may enhance the quality of thesis.
- 38.3 The resubmission of the thesis should be accompanied by the payment of the stipulated fees as decided by the Governing Council from time to time as mentioned in Regulation No. 28 of the Research Regulations.
- 38.4 The candidate shall not be permitted at any time to make more than two submissions of the thesis.

39. PUBLIC VIVA VOCE EXAMINATION :

- 39.1 A candidate whose thesis is commended by three examiners shall submit himself / herself for a Public Viva Voce Examination.
- 39.2 The Public Viva Voce examination shall be conducted by a panel of examiners consisting of
- a). One external Examiner among the three examiners who have already evaluated the thesis
 - b). The guide who shall be the Convenor
 - c). Advisory committee members
 - d)* **Public Viva Voce Examination:**
The Public Viva Voce Examination will be conducted by the Guide along with one external Examiner appointed by the University. If the chosen external examiner fails to respond within a month, an alternate external examiner will be appointed by the Vice-Chancellor.
 (* As resolved in the 40th Meeting of the Standing Academic Board dated 22.12.2010.)
- 39.3 The Public Viva Voce Examination is open to all faculty / non faculty members in the field of research work done by the candidate. The Public Viva-Voce Examination will be conducted in the premises of this University.
- 39.4 The commended thesis of the candidate shall be made available for reference at the University before and upto the Public Viva Voce examination as per the University norms.
- 39.5 All clarifications / questions / suggestions made by the examiners who have evaluated thesis shall be addressed by the panel of examiners at the time of Public Viva Voce examination for the candidate to defend his / her thesis.
- 39.6 The panel of examiners of the Public Viva Voce Examination shall report their comments and sign the “Public Viva Voce Examination Reporting Form” as in Form VII under Section II of the Research Regulations.
- 39.7 The successful report of the Public Viva Voce examination is essential for the final approval of the thesis.
- 39.8 A candidate who is not successful in the Public Viva Voce Examination shall be permitted to reappear for a similar examination for a second time within a period of 3 months.
- 39.9 A candidate shall not ordinarily be permitted to take the Public Viva Voce Examination on more than two occasions.
- 39.10. In order to have transparency in Ph.D. viva-voce Examination, the entire proceedings of the viva-voce Examination should be done with full video coverage and the cassette should be submitted to the University along with the report. The cost of the video coverage should be borne by the candidates.

39.11 As resolved in the 207th Meeting of the Governing Council held on 27.09.2011.

“TO CONDUCT Ph.D. VIVA-VOCE EXAMINATION IN THE COLLEGES OF GOOD ACADEMIC STANDING WITH THE FOLLOWING CRITERIA.

(i) Colleges of at least 25 years of existence.

(ii) Colleges of > 100 Professor

(iii) Colleges of > 200 Faculty

(iv) Colleges of at least 20-25 years Ph.D. training 5-10 disciplines offering Ph.D. Programme.

40. DECLARATION OF THE FINAL RESULT :

40.1 The Controller of Examinations of this University shall prepare the consolidated report inclusive of the thesis evaluation commended reports of three examiners and the Public Viva Voce Examination Report and place before the Vice Chancellor for approval and declaration of the results of the successful candidate who shall be deemed eligible to receive the Degree of Doctor of Philosophy (Ph.D.) of this University.

40.2 The successful candidate shall be notified and intimated through the guide.

41. ISSUE OF PROVISIONAL / DEGREE CERTIFICATE :

A candidate who successfully pass the Public Viva Voce Examination and declared to have qualified for the Ph.D., Degree shall be issued Ph.D., Provisional / Degree certificate duly mentioning the branch / field of research / specialization and faculty under which the candidate has carried out his / her research work.

42. PUBLICATION OF THESIS :

42.1. * The student may be permitted to publish only part of the Ph.D. work done and not the entire Ph.D. work as a single publication before getting the Ph.D. Degree from the University.**

(* As resolved in the 46th Meeting of the Standing Academic Board dated 17.07.2013)**

43. DISCREPANCIES, CONFLICT OF INTEREST AND DISCIPLINARY ACTIONS :

It shall be the authority of the University with the approval of the Governing Council to consider individual cases with special reference to Discrepancies of any nature, conflict of interest and to initiate appropriate administrative actions against the candidate, Guide and the Co-Guide accordingly.

44. * PROCEDURE FOR RE-REGISTRATION :

An amnesty measure for the Research candidate has been introduced by this University as a one time measure to clear the backlog for Re-Registration of Ph.D. Research candidates. The Re-Registration of Ph.D. Research candidate means the candidates who have not submitted their Synopsis/ Thesis before the last date for submission of Synopsis / Thesis prescribed in the Research Schedule issued to the candidate. Even after Re-Registration if, the Research Candidates have not completed their Research Programme within a period of one year, such candidates will be automatically discharged from the Research Programme.

“A candidate who has availed one year extension of time for submission of Synopsis / Thesis as mentioned in the para above will be automatically discharged on the expiry of one year grace period. However, the candidate may apply for Re-Registration for a further period of one year on payment of Rs.37,000/- (Cost of Ph.D. Re-Registration Application Form : Rs.2,000/- + Non-refundable processing fee for Re-Registration : Rs.5,000/- + Re-Registration Fee for Ph.D. Degree Rs.30,000/- = Total : Rs.37,000/-) before the expiry of one year grace period. If the candidate fails to submit the final thesis his or her candidature will be automatically discharged”.

(* As resolved in the 40th Meeting of the Standing Academic Board dated 22.12.2010.)
