

THE TAMIL NADU DR. M.G.R. MEDICAL UNIVERSITY, CHENNAI

RESULT OF THE Ph.D. SCREENING COMMITTEE - JULY 2015 SESSION

S.NO.	NAME OF THE CANDIDATE	SPECIALITY	REMARKS OF THE SCREENING COMMITTEE	RESULT
01	Dr.JOYE VARGHESE	MEDICAL SUPER SPECIALITIES		ACCEPTED
02	Dr. K.USHA KRISHNAN	BASIC MEDICAL SCIENCES		ACCEPTED
03	Dr.S.FOUZEA MOL	MEDICAL SPECIALITIES	<p>Title of the proposed study to be modified.</p> <p>Definition of GDM mothers to be more precise for inclusion in the study (i.e) GDM requiring additional treatment to MNT.</p> <p>Non-obese to be replaced as Normal and Overweight women & offspring.</p> <p>Study is cross sectional observational study.</p>	ACCEPTED WITH RECOMMENDATION

04	Dr.S.THIRUNAVUKK ARASU	SURGICAL SPECIALITY	<p>Objective should include prevention as a major aim.</p> <p>Methodology : Case & Control in a 1: 2 ratio.</p> <p>Define the case & controls Standardise the samples.</p> <p>Be specific about “preventive measurers” in the case report form.</p>	<p>ACCEPTED WITH RECOMMENDATION</p> <p>The candidate has to submit the following certificate:</p> <p>1. copy of the renewal certificate issued by this University for officiating as a guide to the Ph.D. candidate.</p> <p>2.Migration Certificate.</p>
05	Mrs.S.VANITHA	BASIC SCIENCES		<p>ACCEPTED</p> <p>The candidate has to submit the renewal Copy of the Certificate issued by this University for recognizing the Department for pursuing the Ph.D. Research Programme.</p>
06	Ms.M.RAJASUNDARI	BASIC SCIENCES	<p>There is limited novelty on the project as presented. Some suggestions that we feel would benefit this proposal and should be considered are as follows:</p> <p>1)There is a disconnect between the title and objectives. This needs to be considered.</p> <p>2) Consider evaluation of immunomodulatory properties of umbilical Matrix/Umbilical cord blood derived MSC verses that from the mother's Bone Marrow /adipose tissue-with the hypothesis that the UC/UC</p>	<p>ACCEPTED WITH RECOMMENDATION</p> <p>The candidate has to submit the copy of the renewal certificate issued by this University for officiating as a guide to the Ph.D. candidate.</p>

			<p>blood MSC variations are as effect of the pregnancy rather than the source.</p> <p>3)In parallel, evaluate material: Bone Marrow/adipose derived MSC with a set of adult control(non - pregent if female)</p> <p>4)consider evaluating derived MSC immunomodulatory properties in an animal model of inflammatory disorder.</p> <p>5)Give more details on efforts and standardise immunological read outs using control peripheral blood mononuclear cells.</p>	
07	Mr.S.SURESH KUMAR	BASIC SCIENCES	<p>2. Title of the topic should include NCIPH instead of CLD</p> <p>2. Selection of the cases to be clearly mentioned in the Methodology.</p>	<p>ACCEPTED WITH RECOMMENDATION</p> <p>Copy of the renewal Certificate issued by this University for recognizing the Department for pursuing the Ph.D. Research Programme.</p>
08	Ms.N.SANDHYA	BASIC SCIENCES	<p>1 Title to be changed to specify the type of carcinoma and to say it includes only stomach cancer.</p> <p>2)Procedure for standardisation of the Siddha drug to be mentioned.</p> <p>3) It is preferrable to have a co-guide from Siddha.</p>	NOT ACCEPTED

			4)Cell lines of stomach cancer to be clarified.	
09	MS.VEENA NAYAK	BASIC SCIENCES	1.Define & Specify the conventional and the experimental procedure. 2.Sample size calculation – to be done.	ACCEPTED WITH RECOMMENDATION
10	Ms.A.SABITHA	NURSING	Add reference of 1gm of ginger powder.	ACCEPTED Copy of the renewal Certificate issued by this University for recognizing the Department for pursuing the Ph.D. Research Programme.
11	Mrs.J.LEENA	NURSING		ACCEPTED
12	Mr.JERIN KUMAR	NURSING	Include Adults also in the statement of the problem.	ACCEPTED
13	Mr.T.AYYAPPAN	PHARMACY		ACCEPTED Copy of the renewal Certificate issued by this University for recognizing the Department for pursuing the Ph.D. Research Programme.
14	Ms.JEYAPRABHA.P	PHARMACY	1)Novelty Lacking 2)Since the proposal discusses release of drug in connection with circadian rhythm, it is not clear how changes in circadian rhythm interact with the release of drug. 3) The proposal discusses the drug release tandem with the circadian	NOT ACCEPTED

			rhythm. But there is nothing to relate the melatonin levels to the release of the drug.	
15	Mrs.RAJAMATHANK Y.M	PHARMACY	<p>1)The study needs greater depth of investigation for Ph.D.</p> <p>2)Suggested molecular level study of the mechanism of action of the drugs.</p>	<p>ACCEPTED WITH RECOMMENDATION</p> <p>The candidate has to be submit the following certificate:</p> <p>Copy of the renewal Certificate issued by this University for recognizing the Department for pursuing the Ph.D. Research Programme.</p> <p>The candidate has to be submit the copy of the renewal certificate issued by this University for officiating as a guide to the Ph.D. candidate.</p>
16	Ms.NIRANJANA.V.A	PHARMACY		ACCEPTED

Note

: The Results have been published subject to condition that the deficiencies noted against the name of the candidates have to be fulfilled along with required documents. Only on receipt of the above documents further action will be taken in this regard.

ACCEPTED

: CANDIDATES ARE INSTRUCTED TO SUBMIT THE JOINING REPORT ALONG WITH FEE THROUGH GUIDE WITHIN 10 WORKING DAYS FROM THE DATE OF PUBLICATION OF THIS RESULT.

ACCEPTED WITH RECOMMENDATION :

CANDIDATES ARE INSTRUCTED TO SUBMIT THE COMPLIANCE REPORT THROUGH THE GUIDE within 30 working days from the the date of Publication of Results.

NOT ACCEPTED

: CANDIDATES ARE INSTRUCTED TO SUBMIT PROPOSALS (FOUR COPIES) THROUGH THE GUIDE WITHIN THREE MONTHS FROM THE DATE OF PUBLICATION OF THIS RESULT.
