

THE TAMIL NADU DR. M.G.R. MEDICAL UNIVERSITY, CHENNAI – 32.

**Dr. S.T. RADHIGA, M.D.,
ACADEMIC OFFICER i/c.**

Ref.No. AC I (1)/ 36469 /2012

Dated: 27.05.2012

To
The Dean/Principal of all Medical Colleges
affiliated to this University.

Sir/Madam,

Sub: ACADEMIC- MBBS Degree Course – Integrated
Teaching of First MBBS course - Implemented –
Reg.

As per the Regulations of this University, the First MBBS commence from
1st August of every year.

The Integrated Teaching for First MBBS course in subjects of Anatomy,
Physiology, Bio-Chemistry from the academic year 2013-14 onwards.

I enclosed herewith the copy of schedule of Integrated Teaching to be
taught for First MBBS student from August 2013 onwards. As per the schedule,
the following points are mentioned below:

1. For those candidates who have joined before August, the integrated
teaching to be started from August 2013 (**i.e. Block I**)

2. For those candidates, who have been admitted upto 30th September, they
have to join **Block II** (GIT, GUT, Abdomen) in October 2013.

Block I of the course (Cell musculoskeletal & other tissues, Blood, Upper
Limb) for the above candidates to be taught in June/July of 2014.

3. A Model Exam has to be conducted at the last week of every block. This
mark will be included in the IA marks.

-2-

The above schedule to be followed for the academic year 2013-14 onwards for first MBBS students.

Yours faithfully,

Sd/-

ACADEMIC OFFICER i/c
