I invite your kind attention to this University's Letter No. Affln.II(1)/11051/ 2012 dated 22.5.2012 (copy published in the University website also) wherein the University had issued certain guidelines regarding the teaching faculties of affiliated Nursing colleges.

In continuation of the letter, I wish to inform you that the teaching faculties and infrastructural facilities shown at the time of University inspection will only be considered for the allotment of seats under Management Quota only.

It is the responsibility of the Management / Principal of the Nursing Colleges to collect all the documents in respect of teaching faculties viz. Degree Certificate (UG/PG), Tamil Nadu Nursing Council Registration Certificate (for UG/PG) & experience certificate etc. at the time of their appointment itself. During the University inspection, the Principal should furnish the Original Affidavit for the teaching faculties to the University inspectors along with the said documents and appointment order for the post held / promoted post and the joining report etc, without fail.

If the institution appoints some other faculty instead of one (who has been shown as the faculty during the University inspection) for whom the University called for certain documents, the new appointment will not be considered by the University.

Hence I request the Managing Trustee and the Principal of all the affiliated Nursing Institutions to adhere these directions without any deviation from the academic year 2013-2014.
