8. The Registrar, Dr.MGR University, Chennai.
9. The Registrar, Saveetha University, Chennai.
10. The Management of all PB B.Sc.(N) & M.Sc.(N) institutions in Tamilnadu.

Sir/Madam,

Sub : Tamilnadu Nurses and Midwives Council, Chennai-4 – Admission of
other state candidates – IGNOU Candidates – Reg.

Ref: 1) This office letter No.397/NC/2007 dated 21.08.2007.

It is hereby informing you that when other state candidates are coming for higher study i.e., PB B.Sc.(N) and M.Sc.(N), they are **advised to register** their qualification obtained from other state in **Tamilnadu Nurses and Midwives Council as secondary registration**, since we are facing so many fake certificates and also facing technical difficulties to register their qualification after completion of their degree in Tamilnadu. Hence, before issuing the Eligibility Certificate for other state candidates for admission [PB B.Sc.(N) and M.Sc.(N)], kindly ensure the TNC registration so as to avoid the above said problem.

p.t.o.

Further, to inform you that the qualification conferred by Indira Gandhi National Open University (IGNOU) for PB B.Sc.(N) is not a registerable qualification as per TNC. Hence, any University admitting the candidates for PG. will not be registered. Therefore, the candidates obtained P.B.B.Sc.(N) qualification from IGNOU should not be permitted to undergo PG in Tamilnadu, if so, Tamil Nadu Nurses and Midwives Council is not responsible for their registration. The same has been communicated to all the universities by this Council.

This is for your information and necessary action.

The receipt of this letter may be acknowledged.

Yours faithfully,

JIL

Registrar
