Central Sector Scholarship Scheme for Colleges and University Students 2009-10 in India is being implemented by Ministry of Human Resource Development, Government of India. In this connection, I would like to draw your kind attention on the following issues:

1. All the Universities/Colleges/Institutions recognized by the UGC should register themselves with Public Financial Management System (PFMS) and verify the applications of the students received online to enable the MHRD to disburse scholarships to the students directly into their bank accounts under its Direct Benefit Transfer (DBT) Programme.
2. The uploaded applications on PFMS portal need to be validated by the institutes online without any delay to safeguard the interests of students and to prohibit discrimination and harassment of any students.
3. All the Universities are requested to display this scholarship scheme and the new initiative of the MHRD on their website at a prominent place on the home page.

I would really appreciate your personal indulgence in ensuring that this Scheme of MHRD is implemented in a befitting manner for the benefit of the students.

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)
