I. ANY MOTION FOR A CHANGE IN THE ORDER OF BUSINESS STATED IN THE AGENDA PAPER.

-NIL-

II. BUSINESS BROUGHT FORWARD BY THE VICE-CHANCELLOR INCLUDING BUSINESS REMITTED BY THE SENATE AND THE GOVERNING COUNCIL.

II(1) TO CONSIDER AND DECIDE ON IMPLEMENTATION OF THE ADDITIONS / MODIFICATIONS IN REGARD TO THE ADMISSION IN THE MEDICAL COURSE-ELIGIBILITY CRITERIA IN FILLING UP OF THE 3% SEATS OF THE ANNUAL SANCTIONED INTAKE CAPACITY TO BE FILLED UP FOR THE CANDIDATES WITH LOCOMOTORY DISABILITY OF LOWER LIMBS BETWEEN 40% TO 50% FOR MBBS COURSE AS AMENDED BY THE MEDICAL COUNCIL OF INDIA, NEW DELHI, IN THE REGULATIONS ON GRADUATE MEDICAL EDUCATION 1997.

It was resolved to amend the implementation of 3% seats of the annual sanctioned intake capacity which may be filled up by the candidates with locomotory disability of lower limbs from 70% - 50% to 50% - 40% as mentioned in the above Notification issued by the Medical Council of India, New Delhi, within the statutory time schedule for admissions and in any case no admission will be made in the MBBS course after 30th of September.

It was also resolved to amend the implementation of the reduction of eligibility marks from 50% to 45% marks taken together in the qualifying examination and competitive entrance examinations for admission into MBBS course applicable for the above mentioned candidates.

This will be implemented with immediate effect.

II (2) TO INFORM THE STANDING ACADEMIC BOARD FOR HAVING EXTENDED THE CUT-OFF DATE UP TO 10-06-2008 AND TO RATIFY THE ADMISSIONS MADE IN RESPECT OF THE POST-GRADUATE DEGREE / DIPLOMA COURSES BEYOND 31-05-2008 FOR THE ACADEMIC YEAR 2008-2009.

It is seen from the above that there is no provision in the prescribed regulation about how many the same panel of Doctoral Advisory Committee would guide the research scholar during the period of research study. In some cases, the same panel consisting of three members are guiding more than 4-5 students. In such cases, it is practically difficult to monitor three or more Ph.D candidates by the same panel of Advisory Committee Members at a time and hence suitable amendment to be proposed restricting the Advisory Committee members for constitution of not more than three times and who should be from the same field of research topic.

S.A.B. RESOLUTION:

The Advisory Committee would guide the research scholar for one year from the Date of Provisional Registration of particular candidate. Doctoral Advisory Committee members can continue upto Methodology Examination.

In case any one or two members of the Doctoral Advisory Committee got transferred or not in a position to guide due to various reasons and to perform the duties the guide will take the responsibility to inform the University about their non-availability and the guide will take up the entire responsibility.

2.(20) PART- I Methodology Examination:
(20.2) Existing Regulation

Part – 1 Methodology

Examination will be conducted at the end of six months (or) one year for medical / dental candidates and at the end of one year for all the candidates.

Amendment proposed

“At the end of six months” in the existing regulation may be deleted and one year is mandatory for preparatory works to the candidates to appear for the Part – I Methodology examination.

S.A.B. RESOLUTION:

It has been resolved to accept the proposed Amendment. In addition, the feasibility report about the proposed Ph.D work should be submitted by the Guide along with the proposal to the Screening Committee.

3.(31) – Submission of Synopsis:

(31.1) Existing Regulation:

Synopsis should be submitted through the guide 3 – 6 months before the expiry of the period of the research prescribed.

Amendment proposed

The synopsis should be submitted through the guide three months before the expiry of the research period.

S.A.B. RESOLUTION:

It has been resolved to submit the Synopsis through the Guide 3 months before the expiry of prescribed date of thesis.

4.(33.1) Submission of Thesis:

(33.1) Existing Regulation:

Thesis has to be submitted 3 months after submission of synopsis upto 6 months which period shall coincide with the expiry of period of research prescribed.

Amendment Proposed:

Thesis has to be submitted 3 months after submission of synopsis.

S.A.B. RESOLUTION:

The Synopsis should be submitted 3 months prior to the submission of the prescribed date of Thesis.

5.(33.2) Submission of Ph.D Thesis:

(33.2) Existing Regulation:

Every Candidate shall submit six hard copies of the thesis along with the duly filled thesis submission application form – FORM V under Section II of the Research Regulations and Signed by the Candidate and the guide along with the fees as prescribed.

Amendment Proposed:

Under the existing regulation the following may be

added. The candidate should submit the thesis the following heads.

CONTENTS

- Introduction
- Aims and objectives
- Review of Literatures
 - In India
 - In Abroad
- Justification of the Study
- Study Design
- Materials / Patients and Methods
- Results and Analysis
- Discussion
- Summary & Conclusion
- Recommendations
- Abbrevations
- Proforma
- Bibliography

The author of any study mentioned in Bibliography exceeds more than four, the word et al should come after fourth author. (Only Vancouver style alone should be followed and not by ALPHABETCAL order)

S.A.B. RESOLUTION:

It has been resolved to continue the existing regulation

with the following modifications:

MODIFICATIONS:

The candidate should submit the thesis with soft copy (CD) under the following heads only and it should not contain any irrelevant dedication format pages:

CONTENTS

- Introduction
- Aims and Objectives
- Review of Literatures
- Materials / Patients and Methods
- Results and Analysis
- Discussion
- Summary & Conclusion
- Impact of the Study
- Bibliography

The author of any study mentioned in Bibliography exceeds more than four, the word et al should come after fourth author. (Only Vancouver style alone should be followed and not by ALPHABATICAL order)

6. (35) Ph.D Examiners:

(35.1) Existing Regulation

A panel of nine external examiners both in India and Abroad (Three from Southern States, three from the rest of India and three from abroad shall be recommended by the Guide /

Supervisor. Advisory Committee for evaluation of the Thesis to be held later and the list of examiners shall be forwarded at the time of submission of the synopsis in a confidential cover addressed to the Controller of Examinations.

The above said regulation is found contrary to the following:

Regulation no. 36.2

Which states that “one examiner shall be from outside the state and within South India. One Examiner shall be from the rest of India and Third Examiner shall be from outside India”.

Amendment Proposed:

Amendment may be proposed that one Examiner from Tamil Nadu, and The Second Examiner will be from the rest of India and Third Examiner will be from outside India.

S.A.B. RESOLUTION:

It has been resolved to accept the proposed amendment.

7. 36.9: Existing Regulation:

If any of the examiners point out clarifications and suggest resubmission with corrections, the candidate has to carry out through the guide all the suggested corrections and resubmit the thesis within three months for evaluation by the same examiner who has initially suggested the above.

Amendment Proposed:

In the Board of Studies in its meeting held on 28.04.2008, it was resolved that when the candidates provides the replies for queries raised by the examiners. The replies should not be sent to the External Examiner. It is seen that in some cases, the examiners raised so many queries for which they have to be satisfied with replies given by the candidates. The guide accepts for the replies given by the candidate for queries raised by the examiners need to be reconsidered. The replies given by the candidate shall be sent again to the concerned examiner for final evaluation report.

S.A.B. RESOLUTION:

It has been resolved to continue the existing regulation.

If any of the examiner points out clarifications and suggest resubmission with corrections, the candidate has to carry out through the guide all the suggested corrections and resubmit the thesis within three months for evaluation by the same examiner who has initially suggested the above.

8. 36.11: Existing Regulation:

The evaluation report from various examiners will be received by the Guide with a copy to the Controller of Examination. The Guide then shall consolidate the report and forward the same to the Controller of Examination for fixing the Viva-Voce Examination. The Controller of Examination can raise any number of queries regarding the candidates thesis, and the Guide as well as the Candidate should clarify this.

Amendment Proposed:

The evaluation report from various examiners will be received by this University then all the three reports are sent to the Guide to consolidate the report and recommendation and send to Controller of Examination for fixing Viva Voce Examination.

In regard to the Thesis evaluated by the Board of Examiners. The presentation of valuation is not in a systematic manner under relevant heads. Therefore all the Board of Examiners should give the valuation report under the following heads:

- Study Design
- Materials and Methods / Patients and Methods
- Results and Analysis
- Summary and Conclusion

The format VI of evaluation report should be modified accordingly.

S.A.B. RESOLUTION:

It has been resolved to accept the proposed amendment with the following modifications:

The evaluation report in the following format from various examiners will be received by this University. All the three reports will be sent to the Guide to consolidate the report and then forwarded to the Controller of Examinations for fixing Viva Voce Examination.

- Literature Review
- Materials / Patients and Methods
- Results and Analysis

- Summary and Conclusion

9. (39) Public Viva Voce Examination:

(39.6) Existing Regulation:

The panel of examiners of the Public Viva Voce Examination shall report their comments and sign the “Public Viva Voce Examination Reporting Form” as in Form VII under Section II of the Research Regulations.

Amendment proposed:

It is seen from the Public Viva Voce report submitted by the External examiner and Guide that there is no uniformity in presenting the report. Some reports are elaborate and some reports contains only a few lines recommending final approval of Thesis. This form need to be revised deleting signatures intended from Doctoral Advisory Committee members. Minutes should be prepared and signed by the Guide and External Examiners apart from this recommendation.

S.A.B. RESOLUTION:

It has been resolved to continue the existing regulation (39.6) and the Form VII need to be amendment by deleting signature intended from Doctoral Advisory Committee members. Minutes of Viva Voce Examination should be prepared and signed by the Guide and External Examiner only.

10. 42. Publication of Thesis:

Existing Resolution:

The University encourages the student to publish any part of the thesis any time during the course. The same may be intimated to the University. In case the research work is done in the departments of this University, prior permission must be obtained from the Vice Chancellor of this University. The copyright for the research shall be jointly with the student and the University. The raw data may also be handed over to the University if the student is unable to publish it. The University reserves the right to publish all or part of the data, or a consolidated report from several thesis with due acknowledgements to the students and the guide.

Amendment proposed:

Students should not be allowed to publish research findings before award of Ph.D degree.

S.A.B. RESOLUTION:

It has been resolved that the student may be permitted to publish only part of the Ph.D work done and not the entire Ph.D work as a single publication before getting the Ph.D Degree from the University. The copy right of the research should be jointly held with the student and the university.
