

IQAC Meeting

13.02.2018

Agenda

1. International conference on Holistic Medicine conducted on 9th & 10th February 2018
2. Building for Ayurveda and naturopathy
3. MoU with Australasian college of Health Sciences

Minutes of the IQAC meeting held on 13.02.2018

Revenue was generated by renting the guest house and auditorium. A holistic conference was a grand success with 1080 participants and 39 institutions participated. Speakers were from MA new Delhi Neurosurgeon, IMA tamilnadu president Expert from siddha unani aruyveda, homeo spoke. There were also stall catering to organic foods.

Online screening was a great success so it was decided to extend to UG medicine as well. The entire syllabus which was revamped for ---- courses were presented in the SAb and approved and updated in the website.

Alumini for the university and the campus was decided

Ayurveda and naturopathy which is gaining momentum was discussed a building proposed for the same which will be used the general public was initiated.

The series of cme which usually was for faculty and students now was discussed to be extended for public like elders, women addressing each sector's problem.

MOU signed between Australia and our university was highlighted and it needs to be sensitized to other higher officials who can avail the opportunity as well bring it to the notice of students.
