The Vice-Chancellor has inspected the campus infrastructure facilities and several Academic records of their institution.

The Vice Chancellor has motivated the Students to enhance their research and skill activities

He also made an observational visit to various facilities within the institution.

The Vice-Chancellor commenced the visit with a comprehensive tour around the campus including the mess, hostel, lecture halls, laboratories, library, auditorium, exam hall, and informic center etc.,

A warm welcome was accorded by the Management, faculty and staff to the Vice-Chancellor.

He interacted with the management, Principal, vice principal and faculty members, engaging in a comprehensive discussion on the institution's academic and research performance.

The examination hall and exam sequel room were inspected by the Vice-Chancellor and various suggestions were given for the improvement of the College.

He also paid visit to the Nursing foundation and Community Health Nursing Laboratories and also gave suggestions to implement the latest techniques to improve the student skills

The Vice-chancellor provided constructive feedback and suggestions for improvement, highlighting areas for growth and development. While acknowledging the institution's strengths, he emphasized the need for further enhancements.

The Vice-Chancellor's input is expected to guide the institution towards greater excellence. The meeting came to a close with a renewed sense of purpose.

After interaction with the Principal, and faculties, a group photo was taken with the Vice-Chancellor.
